

Accommodations

As an outpatient, day treatment facility, M's Place does not provide overnight accommodations. If you are from outside the Columbus area, you will need to make arrangements for your time outside of the Partial Hospital hours. There are many hotels in the area. Please make advance registrations to assure room availability prior to arriving. A family member or friends is encouraged to stay with you. If more than one patient from out of the local vicinity is in treatment at once, you may opt to share a hotel room.

****Please note:** The Center provides hotel information as a courtesy. Accommodations are independent of The Center and we are not responsible for patients outside of program hours.

The newly renovated ***Embassy Suites Hotel*** offers patients of The Center a special discounted rate of \$119/night plus tax (rate is not guaranteed and subject to change without notice). You **MUST** request The Center for Balanced Living rate at the time of booking. The hotel is located 4.2 miles from The Center at 2700 Corporate Exchange Drive, Columbus, OH 43231 and offers free local shuttle service within 5 mile radius and to and from Port Columbus International Airport.
